Re: Human Rights Campaign PAC (Amended July 2007 Monthly Report)
Identification Number: C00235853

This letter responds to your letter of September 21, 2007 requesting additional information regarding the July 2007 Monthly Report. We have amended the June 2007 and subsequent reports to respond to your specific request.

The June 2007 and July 2007 Monthly Reports inadvertently listed two contributions to Arcuri for Congress where only one such contribution was made. The initial reported contribution (\$4,000 on May 24, 2007) was never delivered to or received by Arcuri for Congress, and the check was internally voided on May 31, 2007. This activity should not have been disclosed on the June 2007 Monthly Report. The second contribution, in the intended amount (\$5,000 on June 28, 2007), was mailed to and received by Arcuri for Congress. This contribution was properly disclosed on the July 2007 Monthly Report and is within contribution limits.

We have recently initiated additional internal compliance measures and contacted NGP Software to ensure that voided contributions are properly reported and that this error does not recur.

I hope this additional information answers your specific request. Should you need further information, please feel free to contact me at (202) 216-1549.

Sincerely,

Jim Rinefierd
Treasurer
